A QUICK

OVERVIEW

Help without Frontiers is an NGO that has been set up in 2002 to provide migrant children and youth from Myanmar with a brighter future.

Help without Frontiers has invested in young migrants from Myanmar, empowering them for a better life. We are committed to providing them with the ability to transform their lives through learning and education.

OUR
VISION

To provide migrant children and youth
from Myanmar with a brighter future

OUR

MISSION

Help without Frontiers aims to fight the root causes of poverty and discrimination faced by marginalised migrant children and youth from Myanmar through learning and education, empowering them for a better life.
